

Storage > comprehensive industrial racking, shelving and locker solutions

Stanley offers a vast range of shelving, pallet racking and locker solutions to businesses throughout the world. Our team of space-saving experts has over a century of experience in delivering bespoke storage solutions for companies of all sizes, operating in diverse sectors, from retail to construction and food to medical.

Focused on ensuring safety, quality and value, Stanley can handle projects of any size, complexity and weight capacity. By offering a seamless service from concept to completion, including a free site survey, CAD design and supporting quotation, Stanley is committed to improving the efficiency of customer working environments and every installation follows strict SEMA guidelines.

Stanley is one of the UK's largest approved distributors of Metalsistem®.
