## Rose Garden

Imagine a warm summer afternoon with gravel crunching underfoot as you enter the walled rose garden in full bloom.

The calming Rose Garden diffuser has a delicate blend of 5 perfumes to infuse your room.

## Neroli Sunrise

Imagine an early summer morning, a light mist clearing, sun rays gradually seeping through and birds in full song.

Neroli Sunrise subtly infuses your room with top notes of orange and sweet pea; hints of rose and jasmine enhance the floral mid notes with balancing base notes of sandalwood and vanilla.

## Coastal

As a British coastal brand we want to share our everyday with you.

Take a walk on a beautiful day, with the sounds of waves and smells of the sea. This diffuser balances a combination of Wood Sage and Sea Salt to make this distinctly coastal scent.

*Hand crafted in Great Britain our specially crafted fragrances create a gently calming balance to any room*
